- It was upgraded to PG institute in 2002 and currently we have 7 branches i.e, Pharmaceutics, Pharmaceutical chemistry, Pharmacology, Pharmaceutical analysis, Pharmacy practice, Pharmacognosy and Regulatory Affairs. Each and every institution should reach the top status by obtaining Ph.D research center status. In 2008 we started Ph.D research programs.
- I am very privileged to say that our college has got approval to run Pharm D doctor of pharmacy course and started in the year 2012.
