Expand the care that leads to a healthy and quality life.

Our JKKMMRF's ANNAI JKK SAMPOORANI AMMAL COLLEGE OF PHARMACY COLLEGE promote responsible pharmacists. Our main aim is to create awareness among the actual and existing population and to expand the care that leads to a healthy and quality life. We sensitize students to establish social values, their responsibility and their knowledge about social problems and to win them over to the people of the society or community. Students with deep curiosity acquire social values and responsibility. Social activities play an important role in the flourishing of human values in students. Build trust and teach how to collaborate and work with people in different conditions. Learn to face the obstacles of educational and professional life through expansion and contact programs.

Communal Socioeconomic Diversity

Institute is not concerned with religion campus which gives equal importance to all religions, languages and cultures. The students come from various socio-economic and communal backgrounds. The Management and faculty create a sense of belonging in all of them. A multitude of efforts is taken to help the students adapt to the college mainstream and get the benefits of all the opportunities provided by the institution. In addition, the students are taught about their rights and responsibilities as dutiful citizens of this nation. The college celebrates Annual day, Sports day, Pharmacist Day, Cultural day, International Women's day etc., to allow our students to display their talents. Value-based sessions like Yoga, meditation, Universal Human Values, Ethical Behavior etc are instilled in our students through workshops and Seminars. Students are given awareness about basic constitutional rights and their rights to use the college campus for acquiring academic knowledge.

NSS awareness:

Our NSS members take active participation in social development events like medical camps blood donation camps, aids awareness programs, TB awareness programs and cancer awareness program, programs for the public and schools. The students are encouraged to exercise their rights during elections.

Festivals

Pongal is the Festival of Harvest, which is celebrated on our campus in January every year so that students understand the importance of agriculture and protecting our environment. Pongal is the main dish that is prepared and served to God on this day.

Responsibilities

Our institute of pharmacy promotes responsible pharmacists. Our main aim is to create awareness among the actual and existing population and to expand the care that leads to a healthy and quality life. Social activities play an important role in the flourishing of human values in students. Build trust and teach how to collaborate and work with people in different conditions. Learn to face the obstacles of educational and professional life through expansion and contact programs. We sensitize students to establish social values, their responsibility, and their knowledge about social problems and to win them over to the people of the society or community. Students with deep curiosity acquire social values and response.
